# ENTERPRISE PROJECT STUDENT VISION GUIDING PRINCIPLES

## The student experience:

### **STREAMLINED INTUITIVE EXPERIENCE**

High quality, consistent, seamless, real-time experience through their entire Ohio State student life cycle.

### **HIGH QUALITY ADVISING**

Consistent and quality advising that is proactive and readily available.

### **CURRICULAR CLARITY**

A documented, clear, concise vision of a student's academic program that is flexible yet applies credit consistently.

### **RESOURCE TRANSPARENCY**

The ability to easily find available resources and like/related opportunities regardless of university structure.

### **PERSONALIZED SUPPORT**

Timely, data-informed feedback and proactive support from a trusted source.

### **AFFORDABILITY**

Maximized resources and guidance to make informed decisions to overcome economic barriers.

### **EASE OF PROCESS (TOOLS)**

Management of university business intuitively in one place through modern, self-driven technology throughout the Ohio State student life cycle.

### **CLARITY AND SIMPLICITY OF BUSINESS PROCESSES (PROCESS)**

Effortless management of administrative business.

### **A FOUNDATION FOR SUCCESS**

Coordinated care to facilitate student engagement in and out of the classroom for a more complete experience and life-long learning.
